

Service Level Agreement

CLIENT NAME:

BP Creatives

PROJECT NAME:

Digital Identity Build

29 May, 2026

01 Overview

This Service Level Agreement (SLA) outlines the scope of services, objectives, timelines, and delivery expectations for the design and setup of a professional website, domain configuration, and business email for BP Creatives.

The website will be designed and built as a modern, branded, and mobile-responsive web presence. Domain connectivity and business email setup are included within this engagement.

This SLA is intended to ensure clarity, accountability, and a smooth working relationship between both parties throughout the project lifecycle.

02 Objectives

The objectives of this engagement are to:

- Design and develop a modern, professional, and fully mobile-responsive website aligned with the BP Creatives brand identity.
- Configure and connect the existing domain (bpcreatives.africa) to the website platform, ensuring proper DNS setup and SSL security.
- Set up one professional business email address to support BP Creatives' client-facing communications.
- Deliver the project in structured phases to ensure quality assurance, transparency, and timely completion.

03 Parties to This Agreement

Service Provider	Raven Tech Group
Address	4 th Floor, Western Heights, Karuna Rd.

Phone	+254 796 349 079

Client	Ella Moseling
Address	
Email	
Phone	+254 710 492 355

04 Scope of Work

1. Domain Configuration

The service provider shall:

- Connect and configure the existing domain bpcreatives.africa to the website platform.
- Complete DNS setup to ensure correct routing and propagation.
- Activate SSL (HTTPS) to ensure the website is secure and trusted by browsers.

2. Business Email Setup

The service provider shall:

- Set up one (1) professional business email address for BP Creatives.
- Configure the email via an agreed platform (e.g. Google Workspace or equivalent).
- Verify email deliverability and test send/receive functionality.

3. Website Design & Development

The service provider shall design and implement a modern, branded, and mobile-responsive website, including the following pages:

- Homepage
- About / About Us page
- Services page
- Portfolio / Work page (if applicable)
- Contact page

The design will be aligned to the client's approved branding, including logo and colour palette supplied by the client.

4. Testing & Launch

The service provider shall:

- Conduct cross-device and cross-browser testing to ensure consistent display and performance.
- Perform functional testing of all pages, links, and contact forms.
- Support website go-live upon final approval and receipt of final payment.
- Provide basic guidance on how to manage and update website content post-launch.

05 Project Timelines

Phase 1: Foundation & Infrastructure Setup

Start: Upon SLA approval

Scope includes:

- Domain DNS configuration and SSL activation
- Business email setup and verification (info@bpcreatives.africa)

Phase 2: Website Design & Development

Start: Upon Phase 1 sign-off

Scope includes:

- Website theme setup and branding alignment
- Page structure and content implementation
- Mobile responsiveness and layout optimisation
- Contact form and basic integrations

Phase 3: Testing, Refinement & Go-Live

Start: Upon Phase 2 completion

Scope includes:

- Cross-device and cross-browser testing
- Minor revisions based on client feedback
- Final client sign-off and website deployment
- Basic handover and CMS guidance

06 Payment Terms

The total project fee for this engagement is KES 20,000, payable in two (2) installments as follows:

Installment	Amount	Due
Deposit	10,000	Upon SLA signing
Final Payment	10,000	Upon Project Completion

General Payment Conditions

- Work will commence only upon receipt of the upfront deposit of KES 10,000.
- The final payment of KES 10,000 is due upon completion of the project and prior to website deployment and go-live.
- Any delays in payment may result in a pause of work and corresponding adjustments to the project timeline.
- All payments should be made to the details provided on the invoice issued by Raven Tech Group Limited.

07 Intellectual Property & Ownership

Client Responsibilities

- The client shall provide all required brand assets (logo, colours, fonts) in a timely manner.
- The client shall provide all website content (text, images) unless otherwise agreed.
- The client shall provide prompt feedback within an agreed review period to avoid delays.

Revisions

- This engagement includes up to two (2) rounds of revisions per phase.
- Additional revision rounds beyond this scope may be subject to additional fees, agreed upon in writing.

Intellectual Property

- Upon receipt of full payment, the client owns all website design files and deliverables.
- Raven Tech Group retains the right to display the completed work in its portfolio unless otherwise requested in writing.

Confidentiality

- Both parties agree to keep confidential any proprietary information shared during the course of this engagement.

Dispute Resolution

- Any disputes arising from this agreement shall first be addressed through mutual discussion in good faith.
- Should a resolution not be reached, the matter shall be governed by the laws of Kenya.

08 Acknowledgement & Acceptance

By signing below, both parties acknowledge that they have read, understood, and agreed to the terms and conditions outlined in this Service Level Agreement, including the scope of work, timelines, deliverables, and payment terms.

This agreement constitutes the entire understanding between the parties and supersedes any prior discussions, proposals, or agreements, whether written or verbal. Any amendments to this agreement must be made in writing and agreed upon by both parties.
